

Oliver Gets Hearing Aids Activity

Cut out the pictures and use them to sequence the events in the story. Use sequencing vocabulary to discuss what happened **first**, **next**, **then** and **last**. Use the pictures to support retelling the story. Tell the story to your family at home or try telling it to a friend or family member on zoom or skype!

Look at this picture of Oliver and imagine how he is feeling.

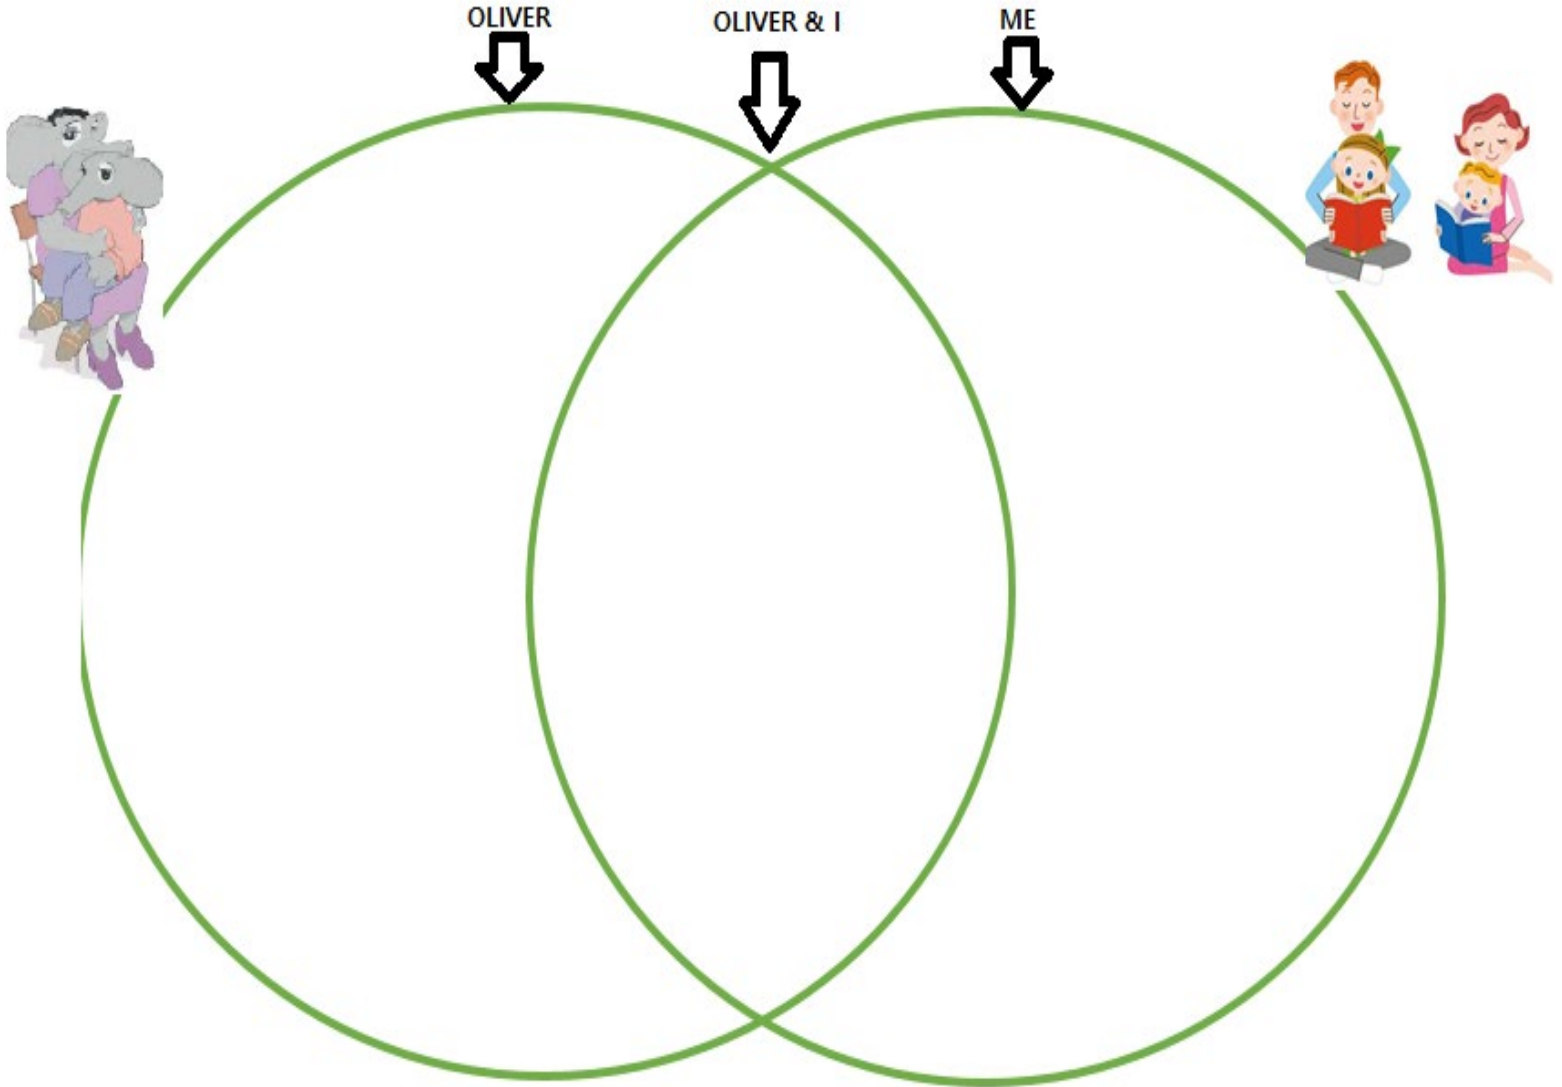

Have you ever felt like Oliver does here? Tell someone about it or write about it here.

How did Oliver feel when he had gotten his hearing aids?

How did you feel when you got your hearing aids? Tell someone about it or write about it here.

Use the Venn diagram to write or draw things that are the same and different about Oliver and yourself. Think about different things like Do you feel the same way sometimes? Do you use the same amplification?
